Mayor of Sussex

Sussex NB E4E 3E4

Dear Mayor Thorne:

I am pleased to advise you that under our 2019 program for improvements to provincially designated highways in municipalities, my department is prepared to partner with your town on the following projects estimated at \$954,000 plus non recoverable HST.

Leonard Drive, Eveleigh Street to Bryant Drive, asphalt paving, a distance of approximately 0.8 km.

Eveleigh Street, Rosemount Avenue to Leonard Drive, new storm sewer, curb & gutter, a distance of approximately 0.4 km.

The municipal contribution for eligible items on these projects is \$143,000 (15%).

These projects will be tendered and supervised by the Town of Sussex.

The Town of Sussex will invoice the Department of Transportation and Infrastructure for its share of the costs at the end of the construction season.

The town's tender package for 2019 construction should be submitted to Mr. James Hoyt, P.Eng., Director of Design, for approval.

Where projects are approved by the Department for tender by the municipality, the tender advertisements must identify provincial participation. The funds are being provided with the understanding and agreement that the municipality must follow the spirit of the Crown Construction Contracts Act and Regulations, and that audits will be carried out by the Province from time to time.
