This policy provides for reimbursement of a volunteer firefighter while on approved training courses.

A. REMUNERATION

(i) The Town will remunerate a firefighter in accordance with the fire wage rate, as paid by the Town of Sussex, if such firefighter is on his holidays/vacation.

(ii) The Town will remunerate a firefighter in accordance with his regular wage if such firefighter does not receive his wage while on a training course. The firefighter shall receive approval for such remuneration from the Council prior to taking a training course.

B. COURSE EXPENDITURE

The Town will pay for the cost of training courses for firefighters, provided that prior approval is obtained from Council.

C. ACCOMMODATIONS AND MODE OF TRAVEL

An individual will require prior approval from the Town for accommodation and mode of travel before taking a training course.

D. MILEAGE AND LIVING EXPENDITURES

The Town will pay an individual, while he/she is on an approved training course, in accordance with the Town's policy on mileage and meal allowance.
