1. Purpose Statement

The main purpose of the Affordable Housing – Building Permit and Development Fee Grant Policy – Repair and Renewal is to assist affordable housing proponents with the repair and renewal of existing affordable housing stock in Sussex. This policy provides assistance to eligible applicants by reducing property improvement costs through the provision of grants equal in the amount of fees / costs related to development and building permits, demolition permits, and variance application.

An application must be made to the Town for a grant to be disbursed under this policy. Grants will be awarded according to the criteria as outlined in Section 5. “Grant Evaluation”. Payment will be made upon successful completion of the approved work to the satisfaction of the Town.

2. Application

This Policy applies to existing developments with affordable units, existing development for rooming houses, or for traditional housing or supportive housing in the form of assisted living facilities or residential care facilities.

This Policy applies to new developments that create additional dwelling units and existing developments under repair and renewal. The supply of new dwelling units may be through new construction, or the renovation, re-use, and re-purposing of existing buildings.

3. Definitions

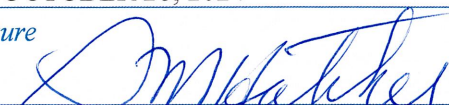

Affordable housing: means low-cost housing oriented toward low income or non-income generating residents that is operated by a non-profit corporation.

Affordable housing project: means single lot development or multi-lot, comprehensive development with affordable housing.

Affordable unit: means a residential dwelling unit that is rented at 80% or less of the Median Market Rent (MMR), as defined by the latest CMHC annual Rental Market Report. An affordable unit may also include a dwelling unit that is otherwise deemed affordable through another provincial or CMHC program.

Accessibility means the way housing is designed, constructed or modified to enable independent living for persons with disabilities. Accessibility is achieved through design, but also by adding features that make a home more accessible.

Building Inspector: means ‘Building Inspector’ as defined in the town of Sussex Building By-law # 151-23 or successor By-law as approved by Sussex Council.

Building permit: means a ‘permit’ issued pursuant to the Building Code Administration Act, S.N.B. 2020, c. 8, or any amendment thereto.

CMHC: means the Canada Mortgage and Housing Corporation.

Development: means ‘development’ as defined in the Community Planning Act, SNB 2017, c. 19.

HAF: means the CMHC Housing Accelerator Fund.

Supportive housing: means housing that provides a physical environment that is specifically designed to be safe, secure, enabling, and home-like, with supportive services such as social services, provision of meals, housekeeping, and social and recreational activities to maximize residents independence, privacy, safety and dignity.

Traditional housing: means housing that is intended to offer a supportive living environment to its residents, including provisions providing them with the experience, tools, knowledge, and opportunities for social and skills development to increase independence. Traditional housing under this policy is considered an intermediate step between emergency housing and supportive housing and has limits on how long an individual or family can stay. Under this program stays are typically between three months and two years.

The Following terms are defined in the town of Sussex Zoning By-law 1350-21:

- Building
- Dwelling
- Dwelling Unit
