This policy is to ensure that trees are replanted when they are removed because of disease, maintenance work and/or capital projects.

Trees shall be planted each year during the spring and fall seasons.

Approved street trees for replanting are as follows:

Acer Rubrum	Red Maple
Acer Saccarum	Sugar Maple
Celtis Occidentalis	Common Hackberry
Fraxinus Americana	White Ash
Ginkgo Biloba	Ginkgo
Quercus Macrocarpa	Bur Oak
Quercus Plaustris	Pin Oak
Quercus Rubra	Red Oak
Tilia Americana	Basswood
Ulmus Minor	English Elm

Contractual work shall include tree replacement for trees which are removed because of capital improvements.
